Kitchen, Harland Elected To Top Board Posts

Jeanette Kitchen was elected Chairperson of the Crawford County Board of Commissioners, succeeding Larry Mattis, and Mary Harland was named to the number two post on the board, Vice-chairperson, following swearing-in ceremonies held January 13th.

Kitchen is beginning her second consecutive term on the board and Mrs. Harland was re-elected last November after having served previously from 1977 to 1979.

Larry Mattis, 1980 Chairman, declined the nomination, citing the need for a "fresh look" at the position this year.

Both the Chairman and vice-chairman posts are one year terms. Further committee appointments are expected soon. The election of Mrs. Kitchen to the top Commission post marks the first time in recent memory that a woman was elected to the job.

Public Ice Rink Now Open

Ice skating is now available across from the GHS football field in Grayling, and the public is invited to make use of the facility which measures some 150' in diameter.

According to Randy Thompson, who along with Cal Walls flooded the area and are keeping it clear of snow, the rink is available to young and old and the pair expect to continue to make improvements at the site so that even better skating is available through the winter.

Thompson said that partial lighting is available from street lights nearby so the rink is available for use even at night.

Citizens' Group Look Into New Middle School

Over 30 residents of Crawford County met on January 5th to investigate key questions concerning a new middle school. This new citizens group is meeting as a result of recommendations from a citizens evaluation study of the Grayling Middle School conducted in 1980. After research and presentations by outside educational consultants that study recommended the construction of a new middle school rather than renovation of the current facility.

The current citizens committee has the following questions to consider and recommend to the Board of Education by January 24, 1981.

- Where should a new Middle School be constructed?

- Should the fifth grade be a part of the elementary school or a part of the middle school?

- What is the viability of utilizing more of the available space at the Frederic Elementary School?

- What should be the future use and disposition of the current middle school facility?
- Should the central office administration facility on Michigan Avenue remain where located or be in a new facility?

- What should be the disposition of the bus garage that is currently attached to the middle school?

The Citizens Committee has a resource group from which to draw technical information. This group is comprised of

Youth Services Receives Grant Here

WASHINGTON, D.C.—The Crawford County Youth Service Bureau is getting a financial boost with federal funds from the Law Enforcement Assistance Administration program, according to Congressman Bob Davis.

The LEAA will provide \$7,750 for the second year of the project which is intended to serve area youths who are first time offenders and their families. After the first nine months of the project, 38 families with youthful offenders have been served in Crawford County through the probation court. With this new funding, the project hopes to accept 75 new clients.

As well as its goal of reducing the number of youths referred to the court through early intervention by local law enforcement, the project is also aimed at reducing the number of youths who drop out of school, get suspended, expelled or excluded.

Federal grants made under the LEAA program are generally matched with local dollars. In most cases, the federal grant can be awarded for up to 95% of the cost of the project; the local unit of government provides the remaining 5%.

Travelogue Coming!

Film To Feature Desert Kingdom

After a delay of more than two months due to the holiday season, the Grayling Community School Office will present their next exciting full-color, true-life adventure of the season on Thursday evening, January 29, 1981. The film, which will feature the country of Jordan will be shown in the Grayling High School Auditorium beginning at 7:30. Tickets will be available at the door. Price of admission is \$2.50 or six admissions for \$10.00.

Appearing in person to narrate the Jordanian film will be nationally recognized lecturer, photographer and Associated Press reporter Hal McClure. During his 15 year career as foreign correspondent for the Associated Press, McClure was in charge of AP news coverage from Israel of both the 1967 and 1973 Mideast Wars. He also reported on the Turkish-Greek fighting on the Island of Cyprus in 1964 and 1974. Recently he collaborated on an AP book about the Six Day War called, "Lighting Out of Israel."

With Hal McClure as their personal guide, Grayling Travelogue viewers will find that Jordan is truly a land of startling contrasts where weathered ruins of the ancient past stand silently in the shadow of glass and steel high rises. Winged jets arc across the skies above hair tents of nomadic Bedouin. Besides being one of the worlds oldest lands, Jordan is a vastly underrated tourist destination. Magnificent scenery and antiquities plus its hospitable people make it among the most friendly places in the Middle East.

KCC to Plan Campus Day 1981

The 1981 Campus Day planning committee will meet on January 27, 1981 at 7:00 p.m. in the Kirtland House of Conference Center on College Drive (directly south of the Kirtland campus, off of F-97).

The committee will discuss and plan the program for Campus Day 1981. Some of the classes being considered are "Making Tofu (the inexpensive low-fat protein)", "Needlepoint", and "Spring Yard and Garden Care".

There is plenty to do and members of the planning committee would welcome community members who would like to participate.

Regional Arson Seminars at Kirtland

The 1980-81 Regional Arson Seminars for Roscommon county will be held in the Kirtland Community College Auditorium on January 28 and 29, 1981, from 7 to 10 p.m. These seminars are planned to provide information and experiences to representatives of law enforcement, fire departments, security forces, and the insurance industry. Topics will include: fire scene investigation; evidence handling; investigation assistance; and warrants (search and arrest).

Registration will be held one hour before the first class. Fees are \$5.00 for six hours, or \$3.00 for three hours. Make checks payable to: Michigan Chapter-I.A.A.I.

For further information, contact Joseph Callewaert, Kirtland Community College at 517/275-5121, ext. 283.

Weyerhaeuser Cancels Grayling Resin Project Plans

Weyerhaeuser has decided against building a resin plant in Grayling to support its structurwood facility, according to a news release from Dick Lodmill, Manager of Weyerhaeuser's chemical business. "The company has been investigating potential sites in the Grayling area for a \$12.5 million dollar resin plant, but has now determined it would not be economically advantageous to expand in the resin and adhesive business at this time," Lodmill said.

He went on to express appreciation to local and state officials who have been helpful throughout Weyerhaeuser's evaluation of this opportunity.

Cancellation of the resin plant will not change Weyerhaeuser's plans for its structurwood facility under construction on Four Mile Road, reassured Tony Moore, Project Manager.

He said the main production and woodroom building shell will be going up this spring. The \$2 million dollar shell, covering 207,000 square feet, is scheduled for completion by August, 1981.

According to Moore, the entire facility should be completed and ready for startup by September, 1982, but he cautioned that the economy still may have an impact on that target date.

Contestants Prep For Miss Grayling Pageant

The month of January and the first week of February is a busy time for the ten contestants vying for the title of Miss Grayling Winter Sports-1981.

The girls will be meeting for various training sessions and instructions on Sundays, Tuesdays and Thursdays for the next four weeks. All this in preparation for the pageant which will again be held in the Joseph Stripe Auditorium at Grayling

High School. The Pageant is scheduled for Saturday, February 7.

Following an orientation meeting at the Chief Shoppennagon Hotel, Pageant Headquarters on January 11th, the girls next held a "Get Acquainted Tea" January 13th at the home of Pageant Director, Norma Naour. The purpose of the tea was to introduce the contestants to their "Pageant

Moms".

A Pageant Mom is a very nice part of the girls' experience as a Miss Grayling contestant. The Pageant Mom will help "her girl" in the areas of talent, wardrobe, makeup, etc. She will laugh with her, cry with her and be there when she needs a word of encouragement.

Viking Loss at Boyne Scrambles League Race

by Joe Schrader

GHS cage mentor Butch Hayes and the Viking squad discovered the importance of free throws the hard way last Friday night at Boyne City.

The Ramblers, ten points behind in the early going, refused to lose their poise and pulled out a key, 70-65 league win over the Vikes, knocking Grayling off its top perch and all the way to third place in the conference standings. The Ramblers dropped in 12 free throws to just one for Grayling in the contest, a margin that

more than wiped out the Viking edge in field goals.

"It was a poor defensive game for us," commented a disappointed Hayes afterward, "we got off to a good start, faltered, and just couldn't come back. Besides, we allowed Boyne to get four players in double figures."

CRESTLINE is on the move again! is the headline on the special edition of the company newsletter called Window Whispers hanging on the employee bulletin board.

The message is symbolic of the industrial growth being experienced by Harris-Crestline Corporation, who last Wednesday shipped its first truckload of quality window products from its assembly operation located in Grayling's M-72 West Industrial Plaza. The milestone shipment was bound for customer locations throughout southern Michigan.

"We located in Grayling to get closer to our Michigan market," said Plant Manager Robert Koon when discussing the company's progress in getting the local operation on stream. "We are a service-minded organization and feel we can better serve them from here."

Crestline occupies 30,000 square feet of quality manufacturing space in the Industrial Plaza and has been stocking the facility with window parts since November in preparation for window/door assembly and shipment from its Grayling satellite operation.

Koon, who moved here from the company's Mechanicville, New York operation, said the company expects steady, continued growth here and anticipates that the workforce, now ten strong, will build to about thirty employees when business permits and assembly operations accelerate.

Crestline assembles window and door parts sent here from its Wausau, Wisconsin plant for more convenient distribution to its Michigan marketplace.

The company markets aluminum-clad combination windows in various styles, called Crest-Clad, along with sliding glass patio picture doors.

Koon said production at its plant is expected to continue to increase as business steps up in the housing industry, with employment peaking to about 30

workers during the full production periods.

Employees will be hired from qualified local applicants, Koon indicated, the exception now being two experienced supervisors brought in by Crestline from other plant locations. The workforce will be increased gradually, he indicated, assuring new employees adequate training opportunities.

Harris-Crestline also recently

announced the acquisition of Duo-Temp, a Buffalo, New York aluminum storm window and door manufacturer, to its growing list of production facilities. The addition brings to nine the number of Crestline operations in the United States.

Crestline executive L.T. Riordan called the expansion moves, here and in Buffalo, indicative of the company's commitment to growth, a

Grayling Teenager Critically Hurt in Toboggan Mishap

A 13-year old Grayling teenager was critically injured Saturday when the toboggan he was riding was struck by a pickup truck at a backroad intersection near Frederic.

Two other teenage brothers were also injured in the incident which occurred about noon Saturday.

Police identified the youth most seriously injured as Richard A. Steely, 13, of Grayling Mobile Estates, who was treated at Mercy Hospital before being transferred to a Saginaw medical facility. Others injured were Edwin, 13, and Tony Ramsay, 15, brothers, who were riding with Steely on a toboggan being pulled behind

a pickup truck driven by their father.

The toboggan was struck at the Kolka Rd.-Cameron Bridge Rd. intersection by a pickup driven by William Barkley, 37, who police say was apparently unable to stop because of slippery road conditions.

No charges have been filed in the incident which is still under investigation by sheriff's deputies.

Sheriff's deputies are also investigating a breaking and entering at a summer residence in Lovells owned by Arthur Wiley. According to the police report, an estimated \$7,000 in stolen goods and damage occurred in the incident which was reported on January 17th.

Police are also looking for a pickup truck stolen from a Maple Forest Township residence on January 17th in which several pieces of valuable jewelry were also removed.

Deputies say some of the jewelry has been recovered but are still looking for the pickup. See Toboggan on Page 11

Vikes Capture Kasky Mat Invitational

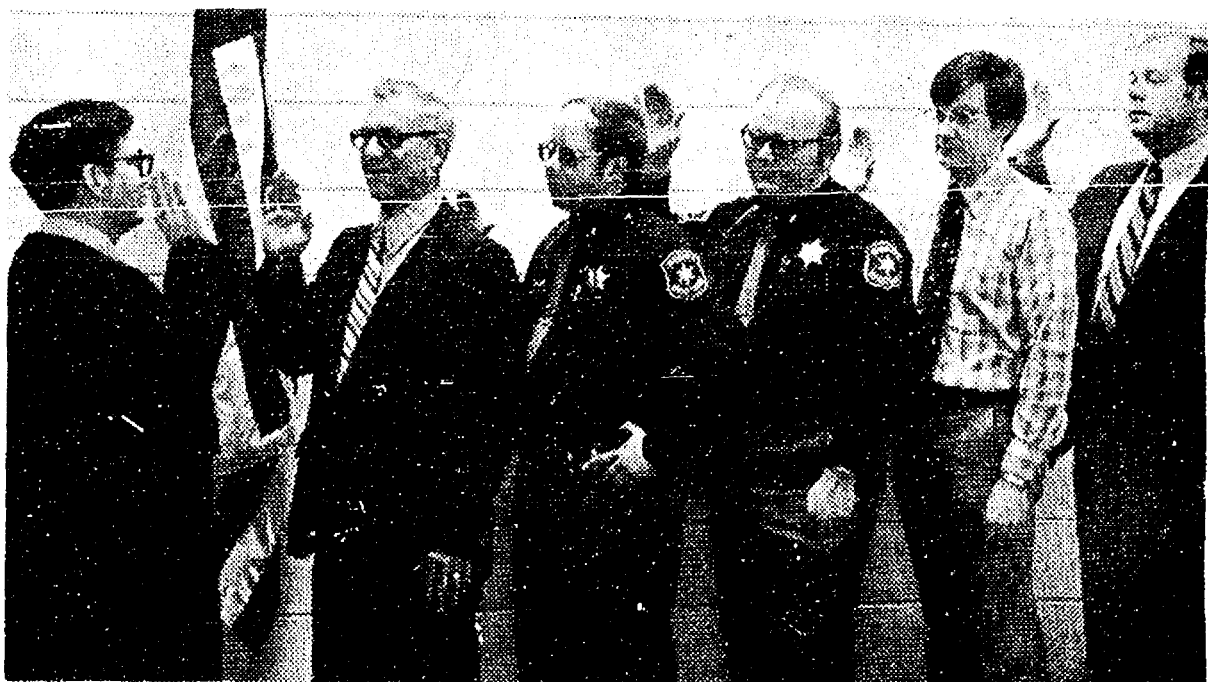

Competing against eight other teams at Kalkaska's Invitational Wrestling Meet January 17, Grayling matmen brought home the much-coveted first place trophy for the 3rd year in a row.

The Vikings were near perfect in their best exhibition of wrestling thus far this season. Ten Viking matmen brought home five individual gold medals, two silver medals, two bronze medals and a 4th place

finish in earning the No. 1 trophy.

Full of quick energy and always a pleasure to watch, Danny Meldrum at 98 lbs. started the Viking's pot of gold with his medal, earned with two pins and a decision of 6-2. Joining the team late in the season, 112 lb. Joe Moody knocked out the second seed from Roscommon to claim the spot for himself.

From Our Corner ...

The good old flu bug that has invaded our area recently took a swing at the ol' fella and laid us flat on our back on the couch for nearly four days...we did manage to come in and go over the mail and head right back to the sack...the strain of flu we had I understand is no match to the other variety that is going through our hamlet...that one really puts a person out of order for a week at least...we had our fill of the lesser of the two...in fact we still feel like we're walking on rubber legs...so don't know how much fill we can get in this turkey this week...

We had a nice note from Marie Quinn, former resident, thanking our office for giving Larry Galehouse, another former resident her address. While here he worked for the city and at one time was assistant to the manager...any way Larry lives in Florida now and called up inquiring about a number of friends he had known and mentioned the Bob Strongs and George and Marie Quinn. George passed away a number of years ago...we missed the call, it was one of our days at home on the couch...anyway, Marie passed along her good wishes to her many friends here...

That was a nice letter to open. The next one we speak of was one with no return address, no name to call for information...only a thermofax copy of our Viking wrestling team with the names for identification...for one thing we cannot print off copies like this...and the other was it raised our curiosity about the reason it was sent to us, and remembered the saying, "curiosity killed the cat"...so we gave it heaven into file 13...

Crawford county residents cannot complain about the cold weather over the past weekend...we experienced what some refer to as the January thaw...it helped take a lot of ice off the roofs (ours included)...so now we can look forward to more snow and cold until we receive a February thaw...just so the next one comes after all the activities of Grayling's Winter Sports Carnival and Pageant that all takes place in February. After all, we need is enough snow to keep our snowmobile enthusiasts coming back to the playground of the north...

Idle thought...we were just looking over this copy we are trying to write for this week's corner and just happened to notice the most used keys...the letter is X...that is the one we use to cross out all our mistakes, we get old Smithy to smoking with our fastness that it makes all kinds of mistakes, so we X and keep going...some times I wonder how Rena can read all this stuff...

The other day we were talking to a couple of Grayling's snowbirds that head for the sunny clime, and they mentioned that a friend of theirs saw my sister Belinda and Bud Quay some where down south and I mentioned they should be in Gulf Shores, Alabama. They remarked that is where they were told too...we have another sister, Jenny, who goes to Kansas to keep close to her family out there during the bad weather...she lives in Boyne City...then we have a brother Svend, who with wife Helen spends a couple months in Florida...and then they say the baby of the family has all the advantages...cannot figure that out...we're still up here in the blustery cold and snow...

How about that weekend...the beautiful sunshine we're afraid is going to disillusion everyone...we're going to wake up to the reality it is still winter...we're finishing up this turkey Monday night after experiencing another sun shiny day, and the electronic media is calling for another just like it Tuesday, beautiful, this about does it for this week's turkey...we're going to take our aching bones home to the sack...have a nice weekend...

The Bible Speaks

From Calvary Baptist Church

THE FAITH OF OUR FATHERS

America is ready for the words of Deuteronomy 4:32. "For ask now of the days that are past..." You hear more and more people talk about the good old days in America. This is certainly a valid dream and a reasonable hope and plan for the future. Our nation has been deceived by less than 10% of our educated idiots who have ruled out God, creation, redemption, revelation, the worship of God, the sovereignty of God and God's love to us. Under the guise of humanism they have demanded atheism, evolution, man's success through science, man's sovereignty over his own life and man's lusts in place of God's love.

Humanism, represented by less than 10% of our people, has

been successful in gaining control over us through government leadership, religious liberalism, our educational system and many communist front organizations like The American Civil Liberties Union. If these people get their way, you and I will be controlled by them from the cradle to the grave. They call it security and safety; I call it slavery and servitude. They would tell us that they are sacrificing to help us because of our inabilities. I believe they are trying to replace God over us and require our worship of them.

The Humanists are easy to locate. They believe in Atheism, evolution, amorality, and one world government. They always oppose the Bible as God's revealed Word. They always resist creation and support evolution. They always oppose Bible absolutes in morality and encourage people to do their own thing. They always oppose nationalism, patriotism, love and loyalty to one's own country for a one world type of thinking and government.

Americans seem sick of the liberalism which has misled us for most of this century. Like most deceptions, things appeared good at first, but soon offered us only emptiness and false promises. Americans are saying, "we want God and the Bible back in our government, the education of our children and the future of our nation. We want to again have clear standards of right and wrong. We want our nation to be a place which is loved and honored by all. We want our young people to look, act and smell like humans instead of animals. We want our streets clean and safe for all." Ask now of the days that are past..." (adv.)

St. John Lutheran Church News

The beautiful Christmas season is past, with a memory of the story of Jesus birth as told by Chad SanCartier and the Sunday School children and the candle light service on Christmas Eve. We observe the Epiphany and Simon Peter's confession of faith that Jesus is the Messiah. It is fitting that this festival marks the beginning of the Week of Prayer for Christian Unity. Our Pastor Haskel and congregation will be sharing with our Christian friends at St. Mary's Catholic Church on Friday. This unique week of Ecumenical prayer ends next Sunday as we celebrate the Conversion of Paul.

The Ladies Circle of St. John has been busy. They entertained the other women of the Church at a social evening on January 8. They presented the Pastor and Choir with new robes which were funded from their earnings. They will have a Bake Sale at Glen's Market on Saturday, February 14.

The Annual Congregational Meeting was presided over by President Elsie Jansen on Sunday, January 18. New Board member, Miss Julie Anderson, member reinstated for three years, Mrs. Loretta Ross, Secretary, Mrs. Dorothy McLeod, Director, Robert Chappel, appointed to the Building Committee, with Mrs. Elina Marshall, Treasurer.

Beginning on Wednesday, March 4 there will be weekly Lenten Services, open to anyone, in preparation of the Easter Sunday.

Tax Help Available From IRS

Traverse City, Mi.—The Internal Revenue Service today reminded area taxpayers that help with federal tax questions is available by phone and at the local office.

The local office staff offers free in-person help with tax returns. The office in Traverse City is located in Room 103 Grandview Bldg., 207 Grandview Parkway. It is open Monday through Thursday from 8:00 a.m. until 4:30 p.m.

Toll-free telephone assistance is available Monday through Friday—8:30 a.m. through 4:30 p.m. Telephone numbers are listed in the tax forms package and in local directories. IRS says you can get quicker service if you call during slow periods. The best time to call is early in the morning or late in the day. Try to avoid Mondays and Tuesdays if you can. They are the two busiest days of the week, IRS says.

IRS monitors a sample of each day's phone calls to promote accuracy of answers to tax questions and courtesy to taxpayers. In addition, all tax returns prepared at IRS offices are given a "quality review" to ensure all schedules are attached and all line entries are made properly.

Most Michigan taxpayers, about 2.8 million of them, get tax refunds, according to IRS. The agency says you can help speed up your refund if you use the preaddressed label on the return you file, and mail it in the envelope in your tax package. If someone else prepares your return, ask them to use the label and envelope, says IRS.

News of Good Things Growing...

Next time you're scooping a spoonful of sugar onto your cereal, biting into a delicious sugar cookie, drenching biscuits with honey, or topping pancakes with maple syrup, thank Michigan farmers! Good things growing in Michigan include our "sweet trio"—sugar, honey and maple syrup.

About 1.7 million tons of sugar beets are harvested here each year, according to the Michigan Department of Agriculture. Processing factories located in the Thumb and Saginaw valley beet growing region produce more than three million pounds of sugar each day.

Honey and maple syrup are two of our oldest agricultural crops. Bees have produced honey for thousands of years and historians say Native Americans were tapping trees when the colonists arrived. Honey was the principal sweetener when sugar was a rarity, and is the sweetest of the three—one-fifth sweeter than granulated sugar.

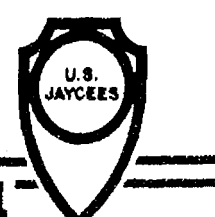

When driving through Michigan's countryside, watch for our honey factories. About 106,000 bee colonies produced 6.5 million pounds of honey last year, MDA reports. Bees are also responsible for pollinating millions of dollars worth of crops including blueberries, cucumbers and apples.

Michigan is one of the nation's top five producers of maple syrup, with 83,000 gallons of syrup processed last year. Trees are tapped in early spring when the days start getting warmer and sap begins to run. About 40 gallons of sap are boiled down to make one gallon of pure Michigan maple syrup.

STAMP COLLECTION—Mrs. McEvers' fourth grade class are making a stamp collection. First you get some stamps, then you put the stamps in water to soak the stamp off the envelope, then let dry, next you put the stamp in a book to flatten them out. Next you sort them out into groups, famous people in one pile, animals and Christmas stamps, etc. The last thing is to put them in an album. One of the books they have is Scott's catalog. (But the way they spell catalog is catalogue.) Inside it tells how many years each stamp has been around, its value, when it was published. They have asked the hospital, Gaylord State Bank, school offices and county building to save stamps. Next year Mrs. McEvers will still be working on the stamp collection with her class.

Miss Wargo's second graders are making a snowman for art. They are also reading a story called "The Alligator" and "His Uncle Tooth." They are working on money in math and will be making a grocery store to learn to buy products from the store.

Mrs. Knibbs' and Mrs. Williams' second graders are working on animals. How they get food, ways they live, and what kind of food they eat, etc. They have seen films of them and they have listened to a tape about the animals on the tape recorder. They also have booklets to read.

Mrs. Larson's first graders are studying about Eskimos. They have learned that they use sleds with dogs for transportation. They wear animal skins. They make their houses out of whale bones. They also make their houses out of driftwood. They kill their food with harpoons. They also make their boots or shoes with seal skins. They have parkas for coats. (Interview with Stephanie Boersma and Cora Reynolds.)

Written by Miss Williams' morning kindergarten

Yolanda Rosi brought her father for show and tell. Her father is Dr. Rosi. He sat down at one of our tables. He took his stethoscope and put it in our ears and let us listen to our hearts. He listened to Steve's lungs. He checked our knees. He hit them with a rubber hammer to check our reflexes. He gave us tongue depressors. He was wearing a doctor coat and carrying a black doctor kit. Then he left.

Performing Arts Program

If you have ever wanted to develop skills in Drama/Theatre Technology, Dance, or Vocal Music, Michigan 4-H Youth Programs has just the program for you. It's called 4-H and the Arts-Expanding Horizons, and it's your opportunity to experience and develop your performance skills and talents.

The 4-H and the Arts-Expanding Performing Arts Program began its second year November 15, 1980. The success of the pilot project, supported by a grant from the Michigan Council for the Arts, was overwhelming. Thousands of Michigan residents have seen the 1970-80 4-H Performing Arts Troupe at fairs and festivals throughout the state.

The 4-H and the Arts-Expanding Horizons is a comprehensive performing arts program which explores the arts in a series of nine multi-discipline workshops. Areas to be studied include dance (tap, music, comedy, jazz, ballet and modern); drama (mime, make-up, stage movement, diction, etc.); and vocal music. Each participant will have the opportunity to work in all areas.

In the late spring of 1981 4-H Performing Arts Troupe will be formed from the participants involved in the project. The Arts Troupe will perform at Exploration Days, an annual statewide 4-H event, June 17, 1981 on the Michigan State University campus and at fairs and festivals during the summer.

This year's program has been expanded to include Crawford County among about 21 counties participating in the project. All youth in the area are encouraged to participate. The age requirements are 13-18 years. Youth should have a high interest in the performing arts and the desire to further develop their skills. Extensive experience is not required.

A member of the 1980 4-H Performing Arts Troupe says it best, "I had never performed before. It's hard work. In the beginning there was no way it could be a reality, but it all came together. It's a terrific, fantastic, great project. I can't live without it."

Anyone interested in becoming a member of the 4-H and the Arts-Expanding Horizons Performing Arts Program should contact the local 4-H Office at 348-5123 for further information.

Obituaries**Final Rites For H. Dale Hatt, 65**

H. Dale Hatt, 65, of Grayling passed away on Tuesday, January 13, 1981, at Little Traverse Hospital in Petoskey. Funeral services were held Thursday, January 15, at 3:30 at Sorenson Funeral Home with Rev. George Spencer officiating. Interment was in Woodland Cemetery, Monroe, Michigan.

Mr. Hatt was born in Kalkaska, Michigan on March 7, 1915, and had been a resident of Grayling for twenty-three years. He had been a truck driver for a lumber company and had been employed at the Bear Archery Co.

Survivors include his wife, June; two daughters, Lois Davis, of Grayling and Ruby Vogt of Bellevue; one sister, Iola Cagle of Comstock Park; six grandchildren; two great grandchildren and two nephews. He was preceded in death by a son Gary.

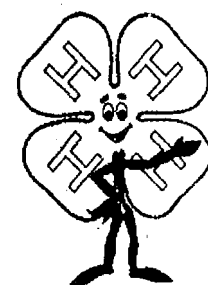

The family has requested memorial contributions be directed to the Urology Department of the Burn's Clinic in Petoskey.

Services Held For Hazel Dunckley, 68

Hazel M. Dunckley, 68, of Frederic passed away Monday, January 12, 1981 at Otsego Memorial Hospital in Gaylord. Funeral services were held Thursday, January 15, at 1:00 p.m. at Sorenson Funeral Home, with Rev. Robert Taylor officiating. Interment was in Oakwood Cemetery, Frederic.

Mrs. Dunckley was born in Maple Grove, Michigan on December 21, 1912 and had resided in Flushing before moving to Frederic in 1950. She was a homemaker.

Survivors include her husband Fred; one daughter, Penny Jackson; two sons, Richard F. and Rodney M. all of Frederic; one brother, Delbert Scholler of Flushing; three sisters, Fern Wallace, of Brevort; Blanche Parks of Montrose, and Pauline Putnam of Flushing; and five grandchildren.

"Cooperative Extension Service programs are open to all without regard to race, color, national origin or sex."

by Sue Louchart

Hi! I'm Chris Clover here with news from the Crawford County 4-H Clubs.

Crawford County 4-H is working with the Grayling Winter Carnival committee in sponsoring a community window painting contest among the youth organizations. All the paints and prize money is being furnished by the Winter Carnival committee. Groups wishing to paint a window please contact the Office.

The Leader Dog Club took their dogs through Glen's for experience of being around shopping carts and the check out stands. The merchants have been very cooperative with the dogs and the 4-Hers.

The Lions Club reported that they are going to get Jeff Cowie a new puppy to raise as soon as possible. Good luck Jeff with the new puppy. We know you will do a good job just as you did with Shannon.

The Frosting and Cake Decorating Club will not meet again until the 27th since their leader Lloyd Nevins is in the hospital. The club has room for new members if you are interested contact the Office.

The Cooking Magicians went on a tour of Glen's Market. They visited the meat department and the stock rooms. They were showed how the groceries are ordered by the computer.

If you have ever wanted to

develop skills in Drama/Theatre Technology, Dance or Vocal Music, Michigan 4-H Youth Programs has just the project for you. It's called the 4-H and the Arts-Expanding Horizons and it's your opportunity to experience and develop your performance skills and talents. This program is made possible by a support grant from the Michigan Council for the Arts. Youth between the ages of 13-18 who are interested in this program contact the Office for more information.

Are you interested in Physical Fitness? Kathy Mobarak is starting a Physical Fitness Club on Monday evenings 7-8:15. There will be a hour of exercise, goals set, weighing in and a babysitter on hand. The babysitting will be 50 cents per child. The Club will last 12 weeks and will start as soon as 4 or 5 people show interest. Kathy lives eight minutes from Grayling on Cheney Rd. a ½ mile east of Old 76. If interested call the Office and car pools can be set up. This Club is more proof 4-H is for everyone not just kids! Good luck, Kathy!

If anyone would like to join one or more of the many clubs or start a new club just call the 4-H Office at 348-5123 and let Ann or Lori know. Look for me next week with more news about the clubs and what's new in 4-H. See you!

Wrestling

(Continued From Page 1)

tators with one of the most exciting upsets of the night as he controlled Vic Zimmerman of Roscommon enroute to a 2-0 decision to earn the gold medal for 119 pounds.

Tim Ferrigan is always a crowd pleaser as he skillfully masters his opponents and Saturday was no exception. Tim at 132 lbs. racked up three pins and an 8-5 decision to claim his gold medal. John Solomonsen continued on the path of gold as he wiped out his Charlevoix opponent in the finals to earn his medal.

Jeff Knight (167 lbs.) added more silver to his growing collection of medals with his second place win. George Masella and Dave Pettit each earned a third place medal for their performances and Jim Piper pushed aside his Frankfort opponent for a 4th at 138 lbs.

Continuing their winning ways from top to bottom: Steve Allen at 159 lbs. finished the last match of the tournament with a pin against Elk Rapids in one minute, 54 seconds. His earlier pin in 56 seconds against Onaway and a 4-1 decision over Roscommon gave him a gold medal, the fifth of the day for the Vikings. Steve, the only senior on the wrestling team, accepted the first place trophy for the Vikes.

Grayling's winning total was 177½ points. Host Kalkaska finished in second with 134 points, Onaway copped third with 87 and Roscommon finished fifth with 85.

In conference action, the St. Ignace Saints were able to chalk up a 36-27 win over the Vikings on January 15 in Saint Ignace. Viking wrestlers chalked up six individual match wins against the Saints, but two forfeits in the 105 lb. division and heavyweight class cost the Vikings the victory.

Match results: Dan Meldrum won by a 5-2 decision; Joe Moody lost by a pin; Tim Jensen won by a 7-3 decision; Dave Pettit lost by a 7-3 decision; Jim Piper won by a pin; John Solomonsen lost by a 9-8

decision; George Masella won by a pin; Jeff Knight won by a 12-6 decision, Tom Sorenson (185 lbs.) lost by a pin and Steve Allen lost by a pin.

The Vikings host Rogers City in a home meet at 6:30 p.m. on Thursday, January 22nd. The Hurons have always provided tough opposition as Viking competitors. The evening promises to be one of the best competitive matches of the season.

On Saturday, January 24, the team travels to Clare for their last Invitational Tournament of the season. The action begins at 11:00 a.m. with the finals starting at 6:30 p.m. The Vikings took a third place last year and plan on improving the record this year. See them in action at home and on the road. Pin 'em again, Vikes!

Vike Skiers In Action

The Grayling girls placed 2nd behind Charlevoix 44-34 last Thursday.

Karyn Reynolds placed first for the Vikings with 2nd in Slalom and 1st in giant slalom. Sheri Wieland placed 3rd in both events, with Mika Fijolek placing 10th and 8th. Heidi Bendig placed 9th in slalom and 10th in giant slalom. Shelley Kanner placed 8th & 14th, Terri Fijolek finished the racing order placing 17th & 15th.

The Viking boys totally dominated the meet as they won by a 32-61-94 score over Charlevoix & Kalkaska. The Giant slalom event was close as the Vikes won 19-21, but the slalom was all viking as 6 of the first 7 places went to the Viking skiers. Terry Norman led the Vikes for the day with 3rd in slalom and 1st in giant slalom. Jerry Norman placed 1st in slalom and 5th in giant slalom, David Burr placed 4th & 6th, Tony Brooks 5th & 9th, Bill Martella 6th & 10th with Dave Martella 7th in slalom and John Huss placing 7th in the Giant slalom.

The Vikes take on Traverse City schools next, skiing at Crystal Mt. against Traverse City, Traverse City St. Francis, Manistee & Cadillac.

Bits O'Talk

by Fay Bovee

Mr. and Mrs. Chester Johnston, Mr. and Mrs. Willard Tobin, and Mr. and Mrs. George Johnston helped their mother, Laura Johnston watch the old year out and welcome the new year in on New Years Eve. All brought food & had a real nice dinner. The evening was spent playing uno, then after midnight all left for their homes, wishing all a very happy & prosperous new year.

Mr. and Mrs. Allen VanNuck of Shangri-La Sub. had a reunion with their children over New Year's week-end. Colleens parents, the Harry Moore's of Mt. Clemens, have moved in to make their home here. Eight of the children were able to gather to visit with Rick who has been in Alaska for 2½ yrs. Rick brought along a guest from Soldotna, Linda Blovin, a commercial fisherman, who showed slides and told of salmon fishing and canning. Family members unable to attend were Tamara and Peter. Tammy who lives in Pasadena called and stayed on the phone while the family opened gifts. She sent each family mounted photographs and sketches of her art. She also sent slides of herself and the Hollywood area. All this activity was taped on a recorder to send to Peter in Healy, Alaska.

Gail and Al Hoffman, visiting from Healy spent an afternoon visiting with pictures of Peter who is a guide on the McKinley Raft Tours. Al and Colleen will be eternally grateful to the Koebel family for the use of their house for sleeping quarters.

which was enjoyed by all.

On behalf of the Winter Carnival Committee, Joanne Shively presented each contestant with a Winter Carnival button which the girls will be sporting throughout the month.

Thursday, January 15th found the girls hard at work at Louise's School of Dance where they took advantage of a complimentary exercise session. Mrs. Louise Hayes has generously invited the girls to attend any of the exercise sessions they can fit into their schedule during the month of January.

Last year the Pageant was a complete sellout so the committee suggests that you purchase your tickets early to avoid disappointment. Tickets are \$3.00 per person and are on sale at Cornell Real Estate and Insurance, Chief Shoppenagon Hotel and from Tim Sloan at Grayling High School.

Partello In Big Win For Lakers

Lake Superior State College Freshman Burt Partello of Graying was credited by the Lakers for a key victory in the team's recent 43-2 shellacking of Oakland University.

The 126 pound Partello handled Oakland University senior Dennis Gustafson, 3-0, in a match that saw him amass over 5 minutes of riding time control.

In recent action, the Lakers also humbled nationally-ranked Grand Valley by a score of 30-15, marking the first victory over its southern rival in the last seven years.

The two victories put the Lakers in first place in the GLIAC conference with an unbeaten, 2-0 mark.

Area-4 Special Olympics (Crystal Mt.)

Four Crawford County Special Olympians were part of a group of a dozen local olympians who traveled to Crystal Mt. Resort last week to participate in the Northern Michigan Winter Special Olympics.

Pepper Gorten, David Argue, Pam Callan and Tom Tarr spent three days at the Northwest Michigan resort competing in winter sports along with 200 other special olympians from throughout northern Michigan. While at the event, the athletes had the opportunity to learn and compete in cross country skiing, downhill skiing, snowshoeing and tobogganing. When not competing they took part in such activities as snowstorm swimming and square dancing.

Accompanying the Grayling area olympians on the trip were athletes from Rose City, Mio, Roscommon and Houghton Lake. The athletes were sponsored by the Area 4-Northland Special Olympics Committee. Another group of local competitors will be entered in the Michigan Winter Special Olympics to be held in mid-February at Sugarloaf Village.

(Winter Activity Day)

For the second time in the last three years, Hanson Hills Recreation area in Grayling will be the site of the Area 4-Northland Special Olympics Winter Activity Day. On Wednesday, January 28th, over 200 special education students from throughout the area will meet in Grayling to participate in a variety of winter sports clinics and competitive games.

Schools expected to be in attendance include: Mio, Fairview, Houghton Lake, West Branch-Rose City, and C.O.O.R. Pioneer Hills. Events planned for the day include: cross country skiing, snowshoeing, tubing, and ice skating. Team events include tug-of-war contests and broom hockey.

For wheelchair athletes, a special event has been planned. A device called the wheelski which attaches to a wheelchair and allows it to act as a downhill ski is being sent to Grayling by the State Special Olympics office in Mt. Pleasant. This unique device will allow wheelchair athletes a chance to experience the challenge of controlling their vehicle on a downhill course.

The purpose of the Winter Activity Day is to introduce the students to winter sports which hopefully may develop into life long leisure pursuits.

Rev. King's
'dream' unfulfilled

RICHARD MILLIMAN

Martin Luther King Day is easy to miss, unless you're looking for it.

And you really wouldn't be looking for Martin Luther King Day unless you're a committed liberal, or a do-gooder, or black, or all three. I am none of the above.

In case you missed it, Martin Luther King Day is Jan. 15. It's not a national holiday, and it shouldn't be. It's not a regional holiday, either, and it probably shouldn't be. But it should cause us to pause and ponder a bit.

The temper of this nation is considerably different today than it was before Martin Luther King. The change is not because of him, but rather because of the concept, the idea, the principles of justice espoused by Martin Luther King, and more importantly, by millions of others.

The Rev. King became a black symbol in the struggle for those freedoms. He was the point man, and as such, much of the struggle for civil justice centered on him.

After King, there has been no single focal point in the civil justice movement. Maybe that's because no focal point is now needed; obversely, maybe the struggle has subsided because of the lack of a King-type focus. But no single individual epitomizes the civil rights movement today as Martin Luther King did in the 1950s and 1960s.

The words of Martin Luther King that reached the widest were delivered at the Washington civil rights march in 1963. The message he delivered to the thousands gathered before the Lincoln Memorial that August day, and heard around the world, are just as appropriate now.

"Even though we face the difficulties of today and tomorrow, I still have a dream," the Rev. King proclaimed.

"I have a dream...that one day this nation will rise up and live out the true meaning of its creed—'we hold these truths to be self-evident, that all men are created equal.'"

"I have a dream...that one day on the red hills of Georgia, the sons of former slaves and the sons of former slave-owners will be able to sit down together at the table of brotherhood.

"I have a dream...that one day even the state of Mississippi, a state sweltering with the people's injustice, sweltering with the heat of oppression, will be transformed into an oasis of freedom and justice.

"I have a dream...that my four little children will one day live in a nation where they will not be judged by the color of their skin but by the content of their character.

"I have a dream...that one day every valley shall be exalted, every hill and mountain shall be made low, the rough places will be made plain, and the crooked places will be made straight, and the glory of the Lord shall be revealed and all flesh shall see it together.

"This is our hope."

"Much of Martin Luther King's dream has come to pass; however, it is sad to realize that much of it has not. Dr. King was killed in 1968. Maybe in the next decade, our nation will accomplish the rest of the dream that millions of us shared with Martin Luther King almost 18 years ago.

Supreme Court To Decide
Ballot Access Law

By Warren M. Hoyt

The state Supreme Court has been urged to declare unconstitutional the state's political party ballot access law as being unfair to small political parties.

The 1976 law, which a lawyer said was enacted because state officials were fearful that too many parties would clutter the ballot, should not be maintained because those fears were groundless and previous ballot access requirements are adequate to keep frivolous parties off the ballot.

Robert Derengoski, the state solicitor general, argued the law was not preventing small parties from getting on the ballot. All those parties had to do was to get a "measly" showing of support, he declared.

The case (Socialist Workers Party vs. Secretary of State) was filed last summer.

In 1976, the year the law was enacted, it was upheld by a federal district court and subsequently approved by the U.S. Supreme Court. When the case was filed, the circuit court said it could not overrule the U.S. Supreme Court.

Under the law, a party without a regular spot on the ballot can get one only by first petitioning for a place on the August primary ballot and by then reaching a benchmark of support in the primary election.

The petition must carry signatures equal to one percent of the votes cast for the current secretary of state and parties must get at least 3/10 of one percent of all votes cast in the primary to secure a spot on the November ballot.

Affected by the provisions are parties not guaranteed November ballot status due to votes received in past general elections.

Derengoski said the requirements equalled a

"measly three votes out of a thousand" to assure small parties a place on the November ballot.

In close questioning by justices, Derengoski admitted, however, "I am not enamored by this proposal. I just say I don't think it's unconstitutional."

The law does not prevent small parties from getting on the ballot, Derengoski said.

Ronald Reosti, attorney for the Socialist Workers Party, said the law's mechanics prevented people, interested in voting for candidates in other parties, from voting for the small parties.

Hence the parties must seek out party regulars to keep a place on the ballot, he said, and creates a form of party registration.

The public may want the right to consider small parties, even if they do not vote for them, he said. Small parties can provide options and arguments the large parties do not, he added.

Reosti said there was no reason for the law to remain because the threatened explosion of small parties never materialized.

And previous petitioning requirements always succeeded in preventing frivolous parties from getting on the ballot.

More Cuts Expected By
Mental Health Department

Mental Health Officials are still reviewing ways to achieve their goal of laying off at least 1,500 employees after a threatened loss of federal funds forced a major revision of earlier plans for layoffs at in-

Thomas DeLoach, a department spokesman, said the final decision may not be made immediately, but may be made at month-end reviews of department staff.

The goal, he said, is still to reduce the total department workforce by 10 percent, or 1,500 persons.

House Call:
Smoking

Some people spend about \$300 a year to tone down their health. Not many of them are in the best of condition to start with, but they spend good money to become breathless with exercise, restless in theatres, and annoyed by the Thank You for Not Smoking signs. They are the habitual smokers.

They're brave in a self-destructive way because, disregarding their cigarette coughs and rapid heart beats, they voluntarily enroll in a high risk program that makes them candidates for cancers and heart and respiratory problems. What's more, they risk losing first prize in the Smell Like a Rose Contest.

Many habitual smokers drop out of the nicotine world for a few agonizing months and then go back to the pack. Some actually make the leap from smoker to non-smoker, and stay that way, free from the bother of smoking.

One fact unites all smokers though. Consciously or subconsciously, they know that the surgeon general's warning on each pack of cigarettes states a truth. Cigarettes are dangerous to your health. Despite that, most of the older smokers continue to puff. They know the facts, see the warnings, but not even segregation in public places has any effect. Since nothing seems to change their habit, perhaps we should concentrate on children instead.

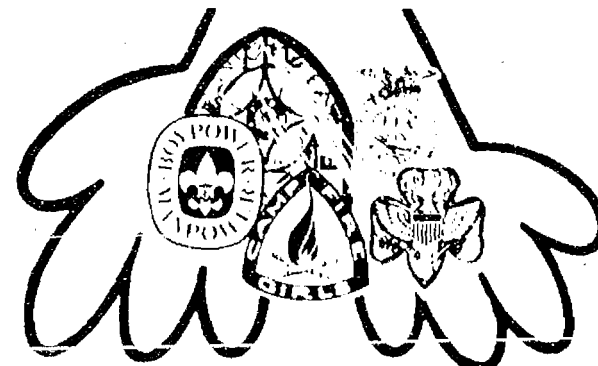

Many schools have health education programs for children, teaching them all the ill effects of smoking. If any of the old smokers want to be influenced along with the children, good luck and long life to them.

The important thing is that if we can't change the old, we can protect the young. Cigarettes no longer are fashionable and daring. They're a nuisance, expensive, and harmful. If you're smart, you'll reject the idea of smoking cigarettes. Your reward will be \$300 to spend for something besides a roomful of smoke. You'll have become a member of the health majority, and you won't tone down your health.

Nosebleeds

A small nosebleed will usually stop by itself. If bleeding continues or is severe, put the person in a chair and loosen all clothing around the neck. Apply cold compresses to the nose and back of the neck. Press the nostril on the bleeding side against the bone for about five minutes. Or, plug up the bleeding nostril with sterile cotton. Keep the patient sitting unless he feels faint.

Crestline will maintain its own fleet of trucks operating out of Grayling, Koon indicated, and the plant will operate on a one-shift basis. Wickes and Erb Lumber Companies, giants in the building supply products industry, are typical examples of Crestline customers, he said.

Other Harris-Crestline facilities are located in Ladoga, Indiana, Corry, Pennsylvania and Leon, Iowa. Also in Spokane, Washington and Corning, California.

Nine businesses are located in the M-72 West Industrial/Professional Plaza, including Michigan Consolidated Gas Co., which opened an office there this week. Other tenants include Golden Rule Printing, Miller-Christensen Real Estate, Michigan Liquor Control Commission and RDI, Inc.

Over one-half of the available 128,000 sq. ft. available in the sprawling former Bear Archery complex has now been occupied.

Deputies responded January 17th to an accident on I-75, two miles south of Grayling in which a tractor/trailer combination jackknifed, blocking the southbound lane for about an hour.

The driver, Robert Sehl of Gaylord, told police he lost control of the rig when a passing car cut sharply in front of him causing him to lose control.

The Grayling Fire Dept. responded to the scene because of a ruptured gas tank on the vehicle. The mishap is still under investigation by sheriff's deputies.

District Court

The following appeared before Judge Francis L. Walsh in 83rd District Court last week:

Richard James Felver, 39, Grayling, demanded examination on a felonious assault charge. The 12 day period was waived and a \$1,500 personal bond was set.

Larry James Byce, 31, Westland, pled guilty to a charge of impaired driving and was fined \$255 or 14 days in jail.

Dennis Carl Bell, 24, St. Helen, pled guilty to a charge of impaired driving and was fined \$255 or 14 days in jail.

Mitchell Clayton Tucker, 19, Grayling, pled nolo contendere to a reckless driving charge and was fined \$85 or 10 days in jail.

CARD OF THANKS

How do we ever begin to thank all our relatives, friends, and neighbors for their many acts of love and kindness in the recent loss of our son and brother, Scott.

The food, cards and prayers were much appreciated. Thank you Father Bill, Father Louis, Sister Cecilia and St. Mary's Altar Society for the meal after the Memorial Mass.

Thank you for all of the many contributions to the Grayling Booster Club in memory of Scott.

Last but not least, thank you to our great volunteer fire department and law enforcement departments.

Thank you from the bottom of our hearts and God Bless You All.

Named to CMU Honors List

David D. Kolb of Grayling was one of 262 seniors named to the Central Michigan University honors list for the fall semester, according to a news release issued by the school's information services office.

In all, 1,141 students achieved honors recognition at CMU, cited for placing in the top 10% of each academic class. To receive honor's status, a student must achieve a grade point average no lower than 3.50 (out of a possible 4.0). CMU had an on-campus enrollment of 16,900 during the fall semester.

David is the son of Mr. and Mrs. Chuck Kolb of 1233 Glenn Road.

Will Attend Design School

The Kendall School of Design is pleased to announce that Thomas C. Gardiner has been admitted to the Visual Communications-Advertising program beginning in January 1981. Mr. Gardiner is the son of Mr. and Mrs. Vernon Gardiner of Grayling and is a 1978 graduate of Grayling High School.

The Advertising Design program calls for an individual who is creative in a variety of Areas. The visual problem necessary in the Advertising field requires a knowledge of lettering, layout design, TV and photographic techniques, as well as basic illustration and packaging design.

Home from college for the Christmas holidays were Glen and Mark Whaley. Also at the Earl Whaley home for the holidays were Jim and Jeannie Whaley. Jim has recently finished his studies in Pharmacy at Ferris College and has started work at Nelson's Drugs in Gaylord. Jim moved to Gaylord over the New Year's weekend, and Jeannie will be joining him presently when she finishes her job in Reed City. Jim will be taking his State Boards in Pharmacy in Lansing at the end of January.

Guests of Mrs. Irene LaRush the past weekend were Mr. and Mrs. Bud Weckesser, Mr. and Mrs. Skip Christy and son Ricky, all of Berkeley; Linda Williams of Berkeley and friend, Bill Cameron, of Ohio; Dick Weckesser & Bill Smith of Brighton. They came to enjoy winter sports and were lucky to have two beautiful winter days.

Les and Dena Hunter have returned home after spending the past month in Atlanta, Ga., at the home of their daughters, Gail Hunter and Paula Hunter. Gail and Paula have bought a house and needed Les' expertise at a long list of the usual household repair jobs.

Guests of Mr. and Mrs. Leo Cavanaugh from Tuesday to Saturday of last week were his brother and wife, Mr. and Mrs. Pat Cavanaugh, of Royal Oak.

Over the New Year's holiday guests of Mr. and Mrs. Robert Rettenmaier were Rev. and Mrs. George Reif of Bay City.

Anyone interested in the prayer line, contact Mrs. Rettenmaier 348-8626. Your confidentiality will be respected.

Mr. and Mrs. Bob Bovee and Mr. and Mrs. Don Jansen attended the 35th anniversary dinner of the Tawas Kiwanis Club on Saturday evening at Lixey's China House in Tawas.

Lewiston's 35th Winter Carnival

The Lewiston Area Chamber of Commerce is once again sponsoring a fun-filled weekend.

Lewiston's 35th Annual Winter Carnival, "The Centennial", is scheduled for Friday, February 6th thru Sunday, February 8th, 1981.

Contact person for additional information is: Miss Carol Coe, at 786-3324.

HARD AT WORK—Miss Grayling contestants are shown during an exercise session at Louise's Dance Studio, front row (from left): Patty Hill, Linda Legg, Connie Keene, Bridgett VanLuchene. Back row (from left): Kelly VanNuck, Shawna Watters, Barbara Golnick, Kathy Mead, and Angela Perna. Not shown is Holly Nunn.

Winter Festival at Boyne City

BOYNE CITY—A variety of attractions, including the city of Smeltania on the ice of Lake Charlevoix, will be featured at this city's Winter Festival, Jan. 30-Feb. 1.

The ice fishing shanty of Smeltania was one of the west Michigan's top winter attractions from 1937 to 1941 and again from 1946 to 1957 when thousands of tasty smelt were taken by hook and line fishermen, according to West Michigan Tourist Association. But when the smelt fishing virtually disappeared so did the village.

During the peak of its popularity, Smeltania was a village on ice of nearly 300 shanties and each year had its own mayor and municipal office. Two national magazines featured the village.

The fish started returning last year and Smeltania will rise again for the winter festival, part of the activities scheduled for Boyne City's 125th birthday observance.

At least 100 fishing shanties will be on the ice for the festival. Smeltania will have an honorary mayor, a restaurant, city hall and jail. There will be rental shanties for visitors.

Other festival events will include ice sculpturing, ice fishing contests, cross country ski races, cutter rides, snowmobile trips, relay races involving cross country skiers, snow shoers and sled teams—even an ice shanty raffle.

Tourism Future Bright Despite Economic Clouds

Although dark clouds have settled on Michigan's economic horizon, leading state tourism officials see a bright future for that industry, reports the January issue of Michigan Living/AAA Motor News.

"The travel industry will continue to prosper during the '80s, but the problem of energy and increasing competition from other states will intensify," said Gov. William G. Milliken. "The industry must be ready to address these challenges with workable solutions, including conservation and dissemination of accurate and timely information."

With gasoline prices rising and the senior citizen population growing, Milliken predicts more group travel in the 1980s. Many Michigan cities—Battle Creek, Flint, Grand Rapids and Kalamazoo—are upgrading their facilities and will play important roles in the travel picture, said Milliken.

However, with the current fiscal problems in Lansing, the Governor said less financial help will be available from government.

"Tourism businesses at the local and regional levels must work more cooperatively, pooling their resources to promote their area," he said.

Development of new tourist attractions and hotels hasn't slowed despite the sluggish economy, Michigan Living points out.

"Major motel chains continue to expand with new budget motels, middle-range and more exotic hostilities in almost every area city," said Wes Tebeau, West Michigan's Tourist Association chief.

"Tourism construction in the billions of dollars is on the books already," said Sid Baker, Southeast Michigan Travel and Tourist Association head.

Some of the major projects on the drawing boards or under construction include a 397-room Hyatt Regency and Auto World in Flint, a Stouffer's in Battle Creek and Space World near New Boston.

Mayor Coleman Young said that Detroit is on the way to becoming America's favorite "visitors' city." He added that Detroit's reputation as a convention city is at an all-time high.

Tourism officials in northeast Lower and Upper Michigan expect to attract more campers, boaters and fisherman. "It (tourism) will grow because we

Question No. 4

Medicare 'B' payments made by persons receiving Social Security benefits are deductible.

☐ True ☐ False

For older persons on a fixed income, H&R Block has the right answer to this and other questions regarding special tax credits and deductions for those taxpayers. If you itemize, the answer is TRUE. Because these payments are simply withheld from benefit checks during the year, they are often overlooked at tax time.

Personal Investments Course at GHS

A course in Personal Investments will be offered by Kirtland Community College at the Grayling High School, on Tuesday evenings from 7 to 10 p.m. Classes begin January 20, 1981, however students may register one week late for this particular course.

Personal Investments is a study of the stock market; principles of investment and alternating approaches toward a personal investment program.

Cost for the three credit hour course is \$14.50 per credit hour for in-district students, or \$20.50 per credit hour for out-of-district students, plus a one time \$5.00 application fee (for new students only). Registration will be held the first night of class.

For further information on this course, or courses in Accounting II, Stress Management and Defensive and Physical Training (only for those in law enforcement), English Composition II, Creative Writing, Principles of Economics, Criminal Law, or Real Estate-Broker's License, which are also being offered at Grayling High School, contact Kirtland's admissions office at 275-5121.

Think Spring

The Time to start planning outdoor projects for the spring of 1981 is now!

The Crawford-Roscommon Soil Conservation District is releasing information this week on their Annual Tree Program.

Species that will be available are: red, scotch and white pine; blue, Norway and white spruce; and autumn olive. A wildlife packet is also available containing red pine and Norway spruce, along with autumn olive and silky or grey dogwood.

Seedlings, sold at a nominal fee in quantities of 25, 50, 100, 500 and/or 1,000 are 2-3 years old and 5-10 inches in height.

Hand planting by our District Work Crew is available for those desiring this service.

Federal cost-share is also available upon request for reforestation, windbreaks, wildlife and erosion-control practices, following approval.

Contact the Crawford-Roscommon Soil Conservation District by telephoning 275-5231 or at 409 Lake Street (the Centre Building); P.O. Box 156; Roscommon weekdays between the hours of 8:00 a.m. and 2:00 p.m.

Lottery's New Basketball Game

You don't have to be a professional basketball player to make \$25,000 this season. The Michigan Lottery's new \$1.00 game, "High Score," has an instant prize of \$25,000. Tickets go on sale at noon, Tuesday, January 20, 1981, throughout the state. The gold ticket has five spots concealed under a basketball pattern. The player wins a prize determined by the number of points the total for the five spots (Your Score) exceeds the score shown under Their Score. If any spot has an FT (Free Throw) symbol, the total for Your Score will be doubled.

"High Score" consists of over 29 million tickets, with more than \$11.5 million in prizes. The Grand Prize is \$25,000 A Year for Life (with a minimum of \$50,000). On the average the overall odds of purchasing a winning ticket is approximately one in four tickets (1:3.62).

Each \$50 winner who files a prize claim no later than ten (10) days after the announced end of sales qualifies for the elimination drawing at which the five finalists are drawn for the Grand Drawing.

Lottery agents will redeem winners of 1-Ticket, \$2 and \$5. Tickets winning \$50 or \$250 may be claimed at an official Lottery Claim Center, Lottery Regional Office, or Lottery Central in Lansing. All \$25,000 winners should be claimed at a Regional

Office, or Lottery Central. Lottery Claim Centers are available in most Michigan cities and towns. Lottery agents can help players locate the nearest Claim Center. The Central and Regional Lottery Offices are located as follows:

Grayling-County Building (517) 348-7601.

Lansing-4545 Mercantile Way (517) 373-6350.

Marquette-105 E. Washington (906) 228-6200.

Oak Park-13391 W. Nine Mile (313) 399-0424.

Portage (Kalamazoo) 5232 Portage Rd. (616) 382-6670.

Saginaw-310 Johnson, Downtown Saginaw Mall (517) 755-6537.

Instant winners who file claims will be paid by check once their Lottery Claim has been validated and approved for payment. The prize check will be mailed to the address provided by the winner on the Claim Form.

Grand Drawing winners will be paid immediately following the drawing, with the exception of the Grand Prize winner who will be paid in annual installments of \$25,000. Each grand drawing prize will be subject to a 20 percent federal withholding tax. The elimination drawing and the Grand Drawing will be held after the announced end of sales. The Commissioner will announce the date, time and location of both drawings.

11. Fowler informed the Board that the City Manager received a telegram from A.T. Dykema of Emergency One, Inc. confirming a telephone conversation to replace the fire apparatus at no additional charge. The company indicated their desire to have a representative of the Fire Department accept the pump before it is shipped from Florida. After much discussion, Wieland moved a representative selected by the Fire Committee be authorized to travel to Florida to accept the pump if the transportation cost is provided by the Company. Motion supported by Bonkowski. All ayes.

12. A copy of the Crawford County 1981 Fiscal Year Budget was received.

13. The State Revenue Sharing quarterly payment which was delayed from November was received. The amount does not add up to correspondence received from Representative Ostling.

14. Fowler gave a brief resume of the Four Mile Road project and stipulated the local share of the project would be considerably less than anticipated. Road construction bids will be let March 1.

15. The Building and Ordinance report was received, reviewed, and placed on file.

16. The Assessing Department Report was also received, reviewed, and placed on file. New appraisal cards have been prepared for all properties and programmable calculator assessments entered upon.

17. The Planning Commission submitted copies of the comments received at the hearings on the revision to the zoning ordinance along with their recommendation of the draft. Motion by Gardiner, supported by Bonkowski, to acknowledge receipt of the recommendation of the Commission and schedule a special meeting on 1-19-81 at 7:30 p.m. to review the draft and recommendation in its entirety. All ayes.

18. Budget amendments required by the continuation of the Federal Revenue Sharing Program authorized in mid-December were discussed. Motion by Bonkowski, supported by Gardiner, to amend the 1980-81 Fiscal Year Budgets to reflect the increase in Federal Revenue Sharing funds as follows:

line 16, Estimated Revenue, increase to \$18,600.00
line 17, Total Federal Revenue Sharing, increase to \$19,376.00
line 59, Unappropriated, increase to \$15,131.00
line 61, Fire Department, decrease to \$11,174.00
line 75, Fire Department, increase to \$19,376.00
line 76, Total Federal Revenue Sharing, increase to \$19,376.00
Roll Call: Bonkowski-aye, Gardiner-aye, Hallett-aye, Wieland-aye, Fowler-aye.

19. Supervisor Fowler informed the Board that: He had been nominated to served on the North Central Regional Association of Assessing Officers.

He recommended a resolution be adopted acknowledging the fulfillment of duties of Trustee, Floyd Millikin. Motion by Gardiner, supported by Bonkowski, to adopt the following resolution:

WHEREAS, Floyd Millikin has served as a Trustee on the Grayling Township Board since February 1972, and
WHEREAS, Floyd Millikin has fulfilled his duties as a member of the Grayling Township Board in the best interest of the Township, NOW THEREFORE,

BE IT RESOLVED, the Grayling Township Board on behalf of the Township people acknowledge the years of public service Floyd Millikin devoted to Township Government. All ayes.

He had received a draft copy of a Interlocal Agreement to establish a Transportation Authority which is being distributed for review and will be discussed at the special meeting scheduled for 1-19-81.

He had attended the Economic Adjustment Committee meeting on 1-13-81 and a kick-off dinner with a slide presentation has been scheduled.

The Michigan Townships Association Annual Convention had a large attendance with some very informative sessions along with keynote speakers.

20. Correspondence from Garland Joyce indicating his desire to serve on the Planning Commission and notification through the Planning Commission minutes that Steve Jorgenson and Charles Vajda were interested in re-appointment to said Commission were reviewed. Motion by Gardiner, supported by Hallett, that in view of the incomplete status of the revised zoning ordinance, Vajda and Jorgenson be re-appointed to the three-year terms. Gardiner, Hallett, Wieland, Fowler-aye, Bonkowski-abstain. Motion carried.

Motion by Bonkowski, supported by Hallett, the bills as presented on vouchers 4707 through 4740 in the amount of \$22,279.04 be approved for payment. Roll Call: All ayes.

Motion by Bonkowski, supported by Wieland, meeting be adjourned. (9:35 p.m.) All ayes.

City Council Proceedings

Regular meeting of the City Council held January 12, 1981.
The meeting was called to order by Mayor Thompson at 7:30 p.m.
Members Present: Failing, Latuszek, Thompson, Golnick, *Sabin.
Members Absent: None.
Also in Attendance: Jerry W. Morford, City Manager, Allen V. Schreiner, City Treasurer, Nelson A. Miles, City Attorney, Holly Nunn, Christopher Conklin, A.D. Sorenson.
Motion by Golnick, supported by Latuszek that the minutes of the meeting of December 29, 1980 be approved as revised as follows: Mr. Sabin moved, supported by Golnick, that the 1980-81 City Budget be amended as follows:
Reduce Available Funds \$5000.00
Reduce General Gov't Attorneys Fees \$5000.00
Ayes: 5, Nays: 0, Absent: 0, motion carried.
Ayes: 4, Nays: 0, Absent: 1, motion carried.
Citizens who wish to speak.
None.
*Councilman Sabin was now present.
Communications were received and noted.
From City Treasurer re: Monthly Financial Statement.
From MML re: Regional meetings for 1981.
From City Manager re: Memo to all city employees, congratulating them for their 1980 safety record.
From City Manager re: 1981 Council meeting schedule.
From City Manager re: 1981 week-end work duty schedule.
From MML re: Workers Comp and Unemployment Comp.
From Chamber of Commerce re: Newsletter.
Old Business.
The City Manager reported that only one quote was received on the new D.P.W. truck from Morehead Ford of Gaylord. The City Manager will review the quote to determine if it meets our specifications for report at the next meeting. He will also contact other area dealers and attempt to get more quotes.
The City Manager reported on the status of the new Fire Truck. In response to a request by the committee, Emergency One, Inc. has agreed to furnish us with a truck which meets the quoted specifications at no extra cost to the municipalities. They have requested that the city have someone fly to Florida to inspect and/or approve the vehicle prior to its delivery. While awaiting the new vehicle we will retain custody of the truck which was originally delivered.
Mr. Morford reported on the status of the Grayling Recreation Authority. There is an opening for an at-large representative on the Authority. Skiing has been very good lately and there has been a good deal of activity on the hill.
Discussion of the new Police Car purchase took place. Mr. Morford has received information that the scheduled "build date" is January 27th, which would make delivery about the middle of February. The larger high output engine will cost an additional \$81.00.
The City Manager presented to Council a draft copy of a zoning map which would be used for distribution to interested persons. Council approved of the draft map.
New Business.
The City Manager detailed some work needed to be done on the sewage lift station. The problems involve the grit machine which has been in use approximately 15 years. He has requested our consulting engineer to contact some contractors about costs, availability etc.
Reports of Councilmen
Mr. Golnick asked about the street lights which are out and stated that he knows Consumers Power Co. has been notified but asked that we contact them again. The City Manager will do so.
Reports of City Manager.
Mr. Morford reported on the following:
Snow removal in the downtown area.
Some articles in a recent paper.
Article in a recent magazine re: property taxes.
Adjournment.
Motion by Golnick, supported by Failing that the meeting be adjourned. Ayes: 5, Nays: 0, Absent: 0, motion carried. The meeting was adjourned at 8:30 p.m.

Jerry W. Morford
City Manager & Clerk

DESIGNED FOR POWER

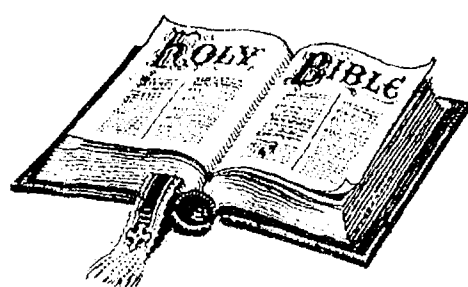

In the annals of sailing there have been few to surpass the clipper. She plied the seven seas and helped a new nation become a world power.

But what was their formula for success? God's power and man's design making fullest use of it. You don't have to count the sails or study the rigging to know that.

Is it any different when we employ steam, electricity or atomic power? These are sources of power God has provided. We design the craft and machinery to put them to use.

Try that formula for everyday living. The power comes from God, you put it to the best use. That's what religion is about!

They were wise and skilled Americans who designed the "clipper." They are wise and skilled, likewise, whose week begins with the worship of God, and whose days put his Power to Christian use.

Firemen Attend Local Seminar

Two hundred thirty-six firefighters from throughout northern Michigan attended a one-day seminar January 3rd here in Grayling, sponsored by the University of Michigan.
Eleven Crawford County firemen attended the training session held at Grayling's Holiday Inn, hosted by the Grayling Fire Dept.
Topics emphasized at the seminar included breathing equipment and use, and water relay pumping methods.
